07/12/2023

> Sets the date to the current day.

Cancel

Confirm

> Triggers the cancellation request, which is confirmed by AGGM.

Delete BG / Sub-BG

Deleted BG / Sub-BG

- ▶ After the AGGM confirmation, the BG/Sub-BG is displayed in grey for three months and no functions are possible.
  It is not possible to reactivate the BG/Sub-BG.
- ▶ ATTENTION: Balance Group members are also affected by the deletion.
- ▶ Finally, the data will be deleted from the AGGM systems after 14 months.

Delete BG / Sub-BG

Affected Data

▸ (hourly) allocation data on Entry/Exit points

▸ Balancing messages ("IMBNOTs")

▸ EI Y code incl. associated information such as display name, contact person

▸ Associated BG members (EI-X code, company name and scope of validity)

Delete BG / Sub-BG

Excursus: temporary deactivation

▸ If a BG/Sub-BG is only to be deactivated temporarily, this is still possible as usual.

▸ You can contact AGGM for this purpose.
