

Austrian Gas Grid Management AG

New Balancing Model from 01/10/2022

AGCS TRANSITIONAL REGISTRATION

- ▶ **BGRs** in the MA-East with the contract types **TL (Transmission Line)** and **TL+DA (Transmission Line and Distribution Area)** must register with the Clearing Entity (CE) AGCS via the AGGM platform.
 - ▶ On 04/07/2022 validity end date will be set to 01/10/2022
 - ▶ The end date will be set on unlimited validity when the registration is completed

- ▶ The **issued licenses remain valid** and will be adapted after the successful registration at AGCS.

- ▶ The existing **contracts with AGGM** as Market and Distribution Area Manger **and CEGH** as Virtual Trading Point Operator **remain valid**. The respective General Terms and Conditions will be adapted with 01/10/2022, but do not need to be re-accepted and re-signed by the BGRs.

- ▶ No further steps are necessary for BGRs in the MA-East with contract type TL+DA+EC (Transmission Line and Distribution Area + End Consumer) and for BGRs in the MA-Tyrol and Vorarlberg.
