

Austrian Gas Grid Management AG

CHOOSE GRID

AGGM PLATFORM

- ▶ In order to be an active supplier on the market, one must state in which grid they are active
- ▶ This is only possible after the registration as supplier on the AGGM platform.
- ▶ Users of suppliers need to initiate this process. Then the grid operator confirms the assignment, the components for the data transmission are created and provided in one XML per grid operator.

- ▶ Under 'Admin Area > Administration > Grid' a list with all existing assignments to grid operators is shown.
- ▶ Information contains the EI X-Code of the grid operator, company name, status of assignment and the validity.
- ▶ Press the button "choose grid " to choose a new grid.

Assignment valid from

Assignment valid to

- ▶ After pressing „choose grid“ the following window appears:

The screenshot shows a web form titled "Choose grid". It contains three input fields: "Operator *", "Assignment valid from *", and "Assignment valid to *". The "Assignment valid from" and "Assignment valid to" fields include calendar icons. At the bottom left is a "Cancel" button, and at the bottom right is a blue "Submit" button.

- ▶ Operator: in the dropdown field a company name or the X-Code can be chosen.
- ▶ Assignment valid from / valid to: enter the corresponding validity date.
- ▶ After the request has been sent, the main user of the grid operator will be informed by email.
- ▶ Subsequently the components per SA will and per quality will be created. The XML will be provided to the grid operator.
