INSTRUCTIONS FOR DELETION

- ▶ **Enter validity** for the BG/Sub-BG that is to be deleted:
 - ▶ A dialog window to enter the date opens.
- ▶ After confirmation, the request has to be accepted by AGGM.

The screenshot shows a dialog window titled "Delete BG". The main text reads "Delete BG -B1 (EI Y-Code: 25Y-) to the following date?". Below this is a text input field labeled "Valid to" containing the date "05/05/2022". To the right of the input field is a calendar icon, which is highlighted with a yellow square. Below the input field are two buttons: "Cancel" on the left and "Confirm" on the right. Two blue callout boxes provide instructions: one points to the calendar icon with the text "Sets the date to today", and the other points to the "Confirm" button with the text "Triggers request to delete that needs to be confirmed by AGGM".

- ▶ After AGGM's confirmation, the BG/Sub-BG will be displayed in grey, and no functions are available anymore. **A reactivation of the BG/Sub-BG is not possible.** Please be aware that also BG-members are affected by the deletion. The data will be deleted from AGGM's systems after 14 months.
